## About

I am a qualified graphic designer and photographer. I managed an aesthetic medical clinic where I did both design and marketing, as well as working with clients and doctors. I create designs and websites for medical professionals and other professionals. I have worked in a web and design studio for 2 Years (Sand Web And Design studio). After the 2 Years I started my own small design and photography business (Foster Photography & Design). I am passionate and experienced in this field. I mostly specialize in wedding photography but are experienced in all areas of photography. I have a Bachelor Degree in Graphic Design and 8 Years experience in the field.
